Zagazig University Contact Person :

Professor Bassem Ashour

☒ The New Joint Post-Graduate Master Program on Sustainable Land Management (SLM) has been finally approved by the agricultural Education Sector Committee at High Supreme Council of Egyptian Universities.

Congratulations for having achieved such a splendid outcome.

SLM Master Program Information Open Day

☒ The New Joint SLM Master Program First Information Open Day in Zagazig University

On the 11th of October 2017, Zagazig University held the annual graduation day of the Faculty of Agriculture. In this day Zagazig University and Faculty of Agriculture celebrated the graduation of the 56th batch of its BSc programs in Agricultural Sciences.

ZU-ILHAM project team participated in this day to disseminate the new joint Master degree in SLM among graduates, students, parents, faculty staff and university administration.

Dr. Bassem Ashour gave a presentation on the project, declaring the current status and achievements and the expected next steps after the final approval of the SCU and ministry of Higher Education. Also the faculty dean Dr. Mashhour, the Vice president Dr. Noureldeen and the university president Dr. Abdelbari commented on the significance of the project and it's so-far success.

The day was attended by 70 students, 180 graduates, 212 parents and 51 Faculty members.

☒ The New Joint SLM Master Program Second Information Open Day in Zagazig University
