Has decided

(Article 1)

In addition to the manuscripts of the articles specifying the awarding of the scientific degrees endorsed in the internal bylaws of the Faculties of Agriculture of the Universities (Cairo – Alexandria (El-Shatby) - Zagazig - Damansour), the awarding of a unified joint Master degree in the field of Sustainable Land Management using the European Credit Transfer System (ECTS) and its equivalence in local credit hours within the framework of a joint-project with some European Universities financed by the European Union to support the higher education system.

(Article 2)

To be added to the internal bylaws of the above-mentioned Faculties of Agriculture of the Universities (Cairo - Alexandria (El-Shatby) - Zagazig - Damansour), the internal bylaws of the unified joint master degree in the field of Sustainable Land Management using the European Credit Transfer System (ECTS) and its equivalence in local credit hours within the framework of a joint-project with some European Universities financed by the European Union to support the higher education system.

(Article 3)

All related authorities shall implement this decree.

Minister of Higher Education and Scientific Research

President of the Supreme council of Universities

Prof. Dr. Khaled Abdel-Ghaffar
