What is it good for?

- Getting help
- Testing personal knowledge
- Exchanging expertises
- Creating a history of common questions

Just remember to:

- **Motivate**
- **Check periodically**
- **Less answers and more clues**

Quiz activity

What is it good for?

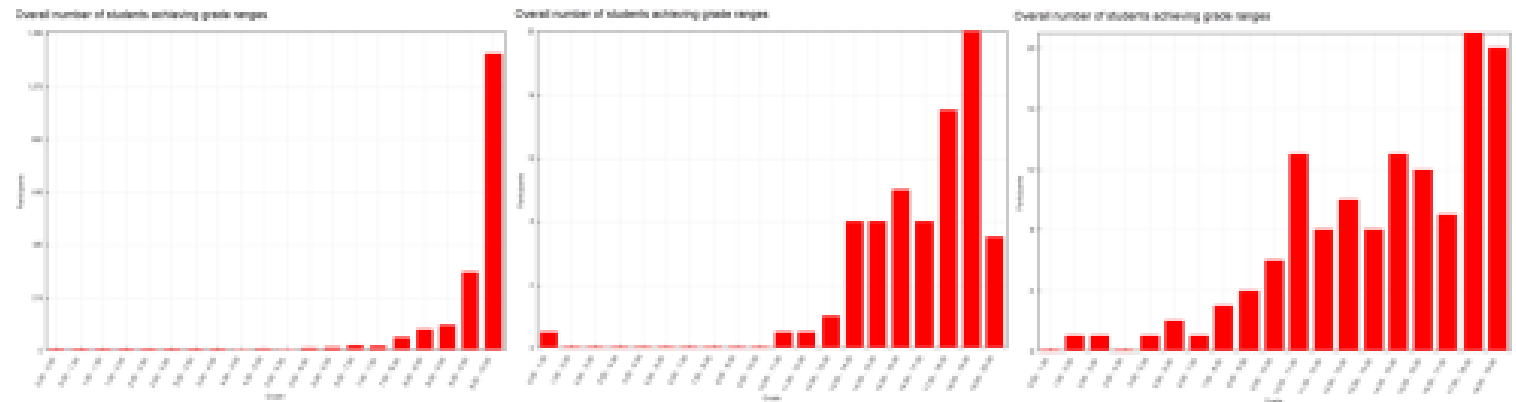

- Encourage students to constantly stay tuned
- Self-assessment
- Evaluate students understanding of material
- Provide questions in a variety of formats

What is it good for?

Quiz activity

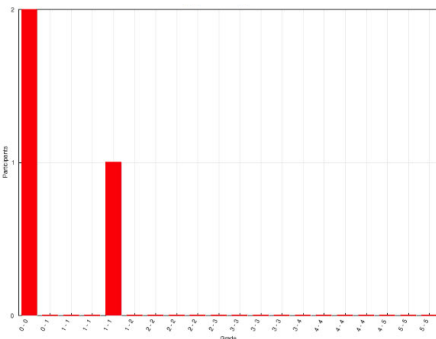

- Assess teacher performance

Am I good or what?!

We are doing well on this!

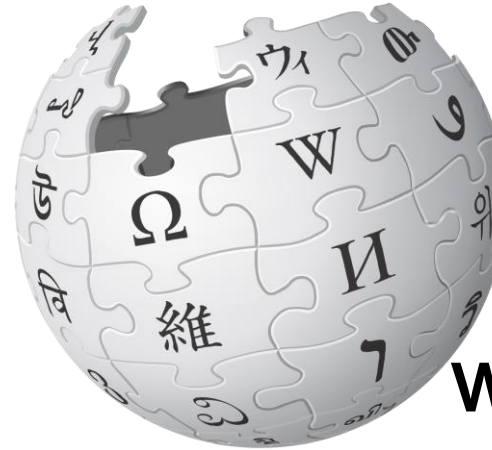

Maybe someone was not committed

Holy crap! I need to improve my performance on this topic!

Conclusions

- Moodle can represent a great tool for students and teachers
- It can integrate the conventional “face to face” lecture
- It can be used to build a course for a long distance learning program
- A Moodle course can grow year after year thanks to the effort of all participants
